The Lilly Physical Education and Recreation Center

The \$7.2 million Lilly Physical Education and Recreation Center was dedicated in April of 1982. The Center is named in memory of Eli Lilly, Josiah K. Lilly and Josiah K. Lilly Jr., great-grandfather, grandfather and father, respectively, of Ms. Ruth Lilly of Indianapolis, the Center's main benefactor.

Upon completion, the Lilly Center was one of the finest and most complete recreation and sports facilities among all small colleges and universities in the United States. The center includes a 25-yard by 25-meter pool with 10 lanes, six racquetball courts, complete locker room facilities, class and conference rooms.

An addition to the Center in 1990 was a hardwood floor in the fieldhouse and auxiliary gymnasium. Truly a multipurpose facility, the Center often is the site of several intercollegiate activities occurring simultaneously. In 1997 the weight room underwent an extensive renovation and addition which made it one of the finest fitness centers at any small college in the nation.

The main section of the Center is the Raymond "Gaumey" Neal Fieldhouse, named in honor of the coach of DePauw's undefeated, untied and unscored upon 1933 football team. The fieldhouse includes a 2,800-seat basketball and volleyball arena and three multipurpose courts which can accommodate volleyball, tennis, badminton, soccer and many other sports.

Nearly \$3 million of the funds for the Lilly Center were raised by the members of the 1933 football team, exclusively through donations made by the surviving members.

During Coach Kris Huffman's 15 years the Tigers have recorded a 161-27 record for an .856 winning percentage in Neal Fieldhouse.
